

"FASCINATION WOOD"

Please diarise our upcoming event!

It will take place on the 15th February 2018 at the Cape Town International Convention Centre (CTICC).

The 8th WOOD-CONFERENCE presents a unique platform for the exchange of ideas, information and inspiration on the topic of wood, its various states and applications, and as a technologically advanced and sustainable high tech material.

A varied program full with information, emotions, visions and knowledge has been put together for the upcoming event. Representatives from Europe and SA will present their buildings, developments and solutions. Anyone interested in sustainable building is invited.

Get inspired – join the 8th WOOD-CONFERENCE
